

About **Summit Doors**

Summit Doors is established in 2012 in Melbourne. We specialise in Engineered Solid Timber Doors sourced from environmental sustainable sources in South East Asia. We pride ourselves in offering superior customer service at competitive prices across our range of products.

Our dedicated and unique sales channels enable us to cater distinctively for both the Trade and Retail markets. We stock a high level of doors in the popular designs and sizes, which means we can get the products to you in a quick turnaround time frame. We are also in partnership with some of Australia's leading door manufacturers/brands, providing our customers with a broader access of products.
